WORK EXPERIENCE

Neon Ave Studio-Las Vegas: 3D Artist, 2017-2018

Undertake the 2d concepts and independently completely modeled, animated, and assembled all assets into complete 3d animation.

Progressive Gaming Inc: 3D Artist, 2006-2008

Used Photoshop to create graphic Logos, and high-quality user interface art for casino plasma/LCD display. I also independently produced full scene 3d animation sequences for various casino slot games.

CSN College: Adjunct Instructor/lab Tech, 2000-2003

Established a professional, enthusiastic, and friendly environment in the classroom. Taught Intro and Advance level 3ds Max and Photoshop to students.
